### **Happy Tenth Birthday Pantry 5000**

On 7 March 2012, the first guests arrived at Pantry 5000 for much needed food and support. Ken, Sue, Bruce and the team wanted this to be a place where miracles happened as with the feeding of the 5000. God has blessed this ministry in so many ways over the past ten years. When food was running short, someone would call to donate what was needed, when there didn't seem to be enough volunteers, God would always provide. Pantry 5000 was to be a place where the team could walk life's journey with those who came and where strong relationships would be built. It was to be a safe place where the team would provide both physical, emotional and spiritual support. There is always excitement when a guest comes back and thanks us for the help received that has given them the ability to turn their lives around and become independent. Over the years, 3500 people/families have regularly been given enough food to feed them for three days each week. This equates to over 8000 people receiving food and over 250 ton has been distributed. The value of the food given out each year would exceed \$700 000 most of which is donated. Our volunteers (at least 120 over the years, some of whom were guests themselves) have been sensational and are so committed to this ministry. Ken, Sue and Bruce believed God had called them to this ministry and we are grateful to them for heeding this call and shining the love of Jesus to those in our community.

## A Vision for our Church

Last week, a member of our church was given a vision that she believes was from God for us. I would like to share this with you.

***The Longbeach Church was full to capacity, and all of the members were in white (made pure by Christ) with arms lifted high worshipping an awesome God. I believe that this is a vision of where God is taking us and that God has great things in store for our Church. Please keep praying for God to use us to build his Kingdom.***
