New compliance

Over the past few years, all organisations have been asked to change how they process volunteers. Many have been asked to get a WWCC and a Crim check and we are grateful to those who have done this. The next step for all volunteers is to take a short course (about an hour) that has been developed by the diocese to comply with what is required by the government. We are holding a session on Sunday 28 August after the 10 am service for those who would like to do this in person rather than on line. If you would like to complete this course on line, you can go to <https://www.openlearning.com/courses/adom-safe-ministry-essentials/homepage/?cl=1>. The cost is \$20 and the Church is happy to pay for this if you let us know. At the completion of the course on line, they ask if you would like a certificate. You need to download this and send this into the office so that we know it has been completed.

Many thanks...

...to all those who helped with the market. \$1200 was raised.
