*Dear Longbeach Family,
It's Bec.*

Just wanted to drop a line to let you know how I am going. It has turned into a bit of a marathon instead of a quick heal. But I wanted to let you know that your praying for me and thinking of me through this really long process means everything. Knowing you are praying for me and the medics has been just a comfort and joy.

*Thank you for all the messages and prayers that have come through but I am not able to respond yet. But I do love them so keep them coming. I am greedy for more prayers.
See you soon, Love Bec*

Father's Day

In 1909, while attending a Mother's Day church service, Sonora Smart Dodd of Spokane, Washington conceived the idea of setting aside a day to honour Fathers. Her own father, William Jackson Smart, a farmer and Civil War veteran, was also a single parent who raised Sonora and her five brothers by himself, after his wife Ellen died.

Within a few months, Sonora had convinced the Spokane Minister's Association and the YMCA to set aside a Sunday to celebrate fathers. In 1910, the first Father's Day events commenced, Sonora delivered presents to handicapped fathers, boys from the YMCA decorated their lapels with fresh-cut roses (red for living fathers, white for the deceased) and the city's ministers devoted their sermons to fatherhood.

In Australia we celebrate Father's Day on the first Sunday in September, This year's service will be held on Sunday September 3rd and will be celebrated at both the 8am and 10am services at St Chad's.

Father's Day is to me, about being thankful to the men in our lives who took on the responsibility and obligations of guiding us through life. Most of the time, taking that responsibility begins at the birth of their child. But, sometimes God gives children their father through other paths. Father's Day is about remembering fathers, living and deceased, and being thankful for the man or men in our lives who stepped up and shouldered the responsibility of fatherhood for us. It is also about recognizing that some fathers need encouragement and support to be better fathers than they are.

First Aid Training

As a church we need to ensure that all our programs have currently trained first aiders involved in them. If you have been trained in the past two years in: First aid, CPR, Anaphylaxis, using a defibrillator or mental health first aid, could you please let Jaqueline or Sue know.
