Please pray…

God is our refuge and strength, an ever-present help in trouble. Ps 46:1

- Pray for the people of Nepal as they continue to recover from the devastating flash flood last week. Pray that the lost are found, that the sick are healed, for the safety of rescue works and comfort for those who have lost friends, family, homes and more.
- Continue to pray for our Pantry 5000 team. Give thanks that they continue to source food for so many needy people. Give thanks that their hard work is so graciously received by so many in the community.
- Pray that Prime Minister Anthony Albanese is able to strengthen Australia's economic and security ties as he meets with Pacific Islands leaders.
- Pray for Derek & Rosie Snibson as they complete their work with CMS. Give thanks for their commitment to God and the good news.

Update on Nepal

As many of you know an enormous flash flood swept through a rural Himalayan valley. More than 1000 people have died, 3925 are missing and at least 1473 are injured. Thousands have lost homes and livelihoods. The communities hit by this flood urgently need your help after losing everything.

More than 65,000 people have been affected including 22,100 children. Rescue crews continue to search for survivors. Infrastructure damage includes 32 bridges and 40km of road. Two glacial lakes have formed near the collapse site, causing Chinese authorities to issue fresh flood warnings on August 30.

Immediate needs are for shelter, food relief, clean drinking water and basic first aid.
